

EFT PAY ENROLLMENT FORM

It is easy to enroll for EFT – Direct Debit:

- Print out the form below and complete it.
- Attach a voided check from your checking account so that we can verify your bank information.
- Bring the form and voided check to our Canal Street office or mail it to us with your payment.

With enough lead time, the first bill mailed to you after signing up will be debited to your checking account, and you will never have to worry about paying penalties again!

Authorization for Electronic Fund Transfer

I authorize Peru Utilities to debit my checking account each month in the amount of my utility bill. I further authorize Peru Utilities initiate transactions credited or debited in error if necessary. This authority will remain in effect until Peru Utilities is notified by me in writing to cancel it. Sufficient time will be allowed to afford Peru Utilities and my bank a reasonable opportunity to act upon it.

If my account is debited and has insufficient funds or has been closed, I understand that I will be charged an additional \$20 and will be ineligible for direct debit for a period of 12 months.
